

Dandle•LION Kisses

24% Organic Sucrose Solution

Why organic? Because you care enough!

You do so much to protect babies. Now, you have a choice to use organic, preservative, chemical, and pesticide-free sucrose – sweet!

Our product is made of USDA certified organic sucrose. The sugar cane is grown without pesticides, herbicides or artificial fertilizers of any kind...and since it's grown organically, the local wildlife and water supplies are protected as well.

Because you care enough

- No preservatives or additives
- USDA Certified Organic sucrose
- Aseptically packaged using purified water
- Unbleached sugar – no harmful chemicals used to whiten it
- 24 month shelf life
- Your choice of orange or purple colored vials, 1 or 2 mL
- Individually bagged and barcoded for optimal safety and traceability
- Grown and manufactured in the U.S.

Dandle•LION[™]
MEDICAL

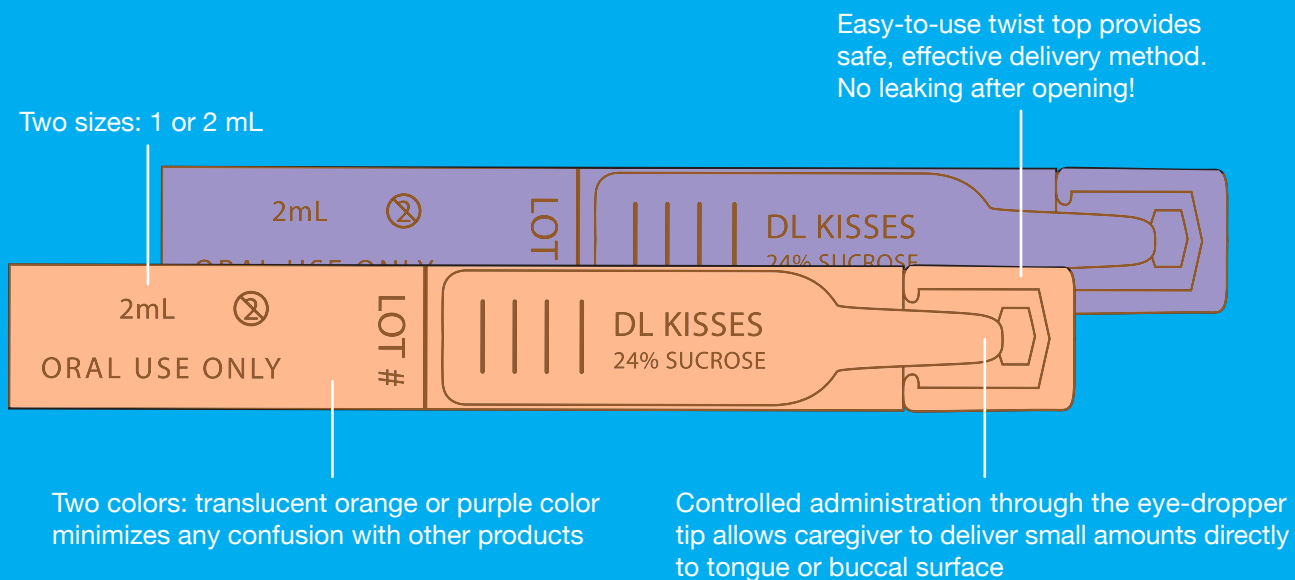

Dandle•LION Kisses

Because you care enough
